SALES

Possession of this price list does not necessarily constitute an offer by **REDIFRAME® PRODUCTS DIVISION** to sell to the holder on the basis of terms described hereon.

PRICES & TERMS

All prices and terms are subject to change without notice and are F.O.B. Dothan, Alabama. Prices shall be those in effect at time of shipment. Any tax imposed by any city, county, state, or federal law on the sale of articles made or sold by the Sellers shall be in addition to the sales price thereof. Prices do not include any special packaging or crating.

ACCEPTANCE OF ORDERS

All orders must be confirmed. All orders will be acknowledged. All orders are subject to the Seller's written acceptance or rejection when received at factory. Each order that is accepted by the Seller at factory will be considered a separate transaction and will be invoiced accordingly. The acceptance of an order by the Seller at factory constitutes a complete and binding contract between Buyer and Seller which cannot be modified or canceled without the written consent of both parties. Accepted orders are subject to all the "Terms and Conditions of Sale" herein contained.

DELIVERY OF GOODS

Shipment and deliveries shall at all times be subject to the approval of the Seller's Credit Department. The Seller shall be under no liability for failure to make deliveries if for causes beyond its control such as, but not limited to Government priorities and allocation of material, fires, strikes, Acts of God or public enemy or transportation difficulties. Under no circumstances will the Seller assume responsibility for any damage growing out of, or owing to, any delay of any kind whatsoever, unless there is a specific agreement in writing between the Seller and the Buyer to the contrary.

CHANGES OR CANCELLATION OF ORDERS

All changes must be submitted in writing. When the Buyer requests changes to or cancellation of an order, the following policy will be followed:

1. Changes made to or cancellation of an order may be made at no cost to the distributor at any time before the order is entered and scheduled for fabricating and shipping.
2. All changes made to or cancellation of an order within ten (10) days prior to shipping will incur a \$75.00 net charge. All changes are subject to approval.

CLAIMS AND RETURNED GOODS

All materials are carefully inspected before shipment. Claims for rejected material on account of errors, shortages, or defective material in order to be considered by the Seller, must be made in writing by the Buyer to the Seller within ten (10) days after receipt of shipment. The only guarantee that is given is to replace or repair such materials as proven defective, or to allow credit for their return at the Sellers option. The Seller will not accept the return or materials for credit or replacement without its previous written authority for such return. If materials appear defective, Buyer should discontinue their use and notify Seller promptly so that Seller may investigate. Seller will not allow any claim for labor or expense occasioned by the use of defective materials, nor be responsible for damages beyond Sellers price of the defective material. Merchandise to be returned will be accepted only if such return is authorized by the Seller in writing. Goods returned under such authority will be subject to our regular inspection. If found saleable without requiring reconditioning or further work, credit will be issued at the price in effect on receiving date, or the original invoice date, whichever is the lower, less an amount to be determined by the company (minimum 20%). No credit will be issued on goods failing to pass regular inspection. No returns will be authorized on items fabricated with Special Preparations in this price list.

PRICE PROTECTION

Specific quotations made in writing by the **REDIFRAME® PRODUCTS DIVISION, Inc.**, are subject to acceptance only if the placement of orders is within the limit indicated on such quotations.

GENERAL

Orders should give complete shipping instructions. We reserve the right to ship as seems advisable unless specific instructions are included on the order.

The Warranty for Steel Frames manufactured by REDIFRAME® PRODUCTS DIVISION is to the original consumer purchaser to be free from defects in material and workmanship for a period of one (1) year from the date of purchase.

REDIFRAME® Products manufactured with galvanized steel are warranted against rusting for a period of one (1) year from the date of purchase, provided the finish has not been cut or abraded through the metal. **Galvanized steel should be used for exterior applications and where air has a high salt content or in locations with high humidity; see specifications.**

This warranty is applicable only when the product(s) covered by it have been installed in accordance with the recommended written installation instructions of **REDIFRAME® PRODUCTS DIVISION** and with established building practices, have been accorded treatment which is considered good practice in the building industry regarding storage and maintenance, and have been subject only to normal use. Because **REDIFRAME® PRODUCTS DIVISION** cannot control the manner in which its products are handled after leaving its premises, this warranty does not apply to the finish or accessories of any product.

ANY AND ALL IMPLIED WARRANTIES HERETO ARE LIMITED TO ONE (1) YEAR FROM THE DATE OF PURCHASE.

Some states do not allow limitations on how long an implied warranty lasts, so the above limitations may not apply to you.

In the event the original consumer purchaser of any **REDIFRAME®** product believes that the frame or any parts thereof covered by this warranty are defective, a letter outlining the alleged defect should be sent postage prepaid to the following address:

REDIFRAME®

PRODUCTS DIVISION
OF THE DUNBARTON CORPORATION
P.O. Box 8577
Dothan, Alabama 36304-0577

Any **REDIFRAME® Products Steel Frame**, or any parts thereof covered by this warranty which, upon inspection by an authorized representative of **REDIFRAME® PRODUCTS DIVISION**, are found by said representative to be defective will be repaired, replaced or, at the option of **REDIFRAME® PRODUCTS DIVISION**, the purchase price of the frame or part will be refunded and does not include labor, installation costs, finishing costs, or indirect or consequential damages of any nature. Some states do not allow the exclusion or limitation of incidental or consequential damages, so the above limitation or exclusion may not apply to you.

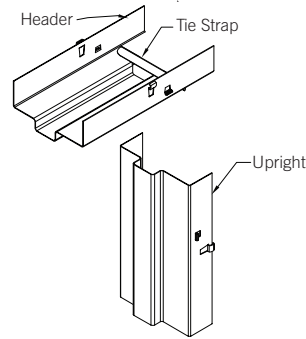

This warranty gives you specific legal rights, and you may also have other rights which vary from state to state.

RediFrame® *page 6*

Rediframe® is a fixed steel door frame used primarily in interior applications where the strength of a steel door frame is desired. Especially suited for new construction and light commercial applications: hotel/motels, nursing homes, residential. Available in standard or kerf profiles.

RediFrame Corner Detail

Kerf RediFrame Corner Detail

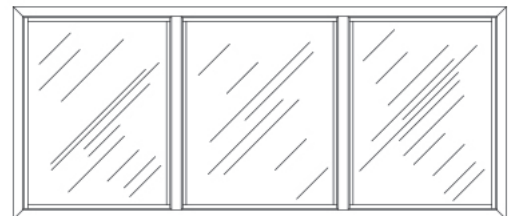

Pocket Frames *page 37*

Rediframe® Pocket Frames consist of a one-piece strike upright and a split, two-piece header and upright section. Used primarily to close off an area with minimal use of floor space for door swing.

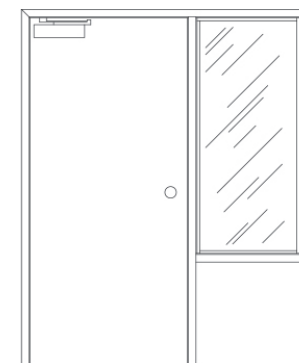

Borrowed Lites *page 38*

Rediframe® Borrowed Lites accomplish a “window in a wall” effect. Can be manufactured with or without mullions to create single or multi-borrowed lites.

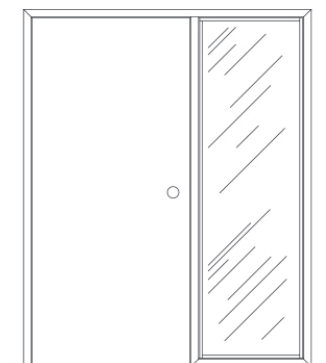

Sidelites *page 39*

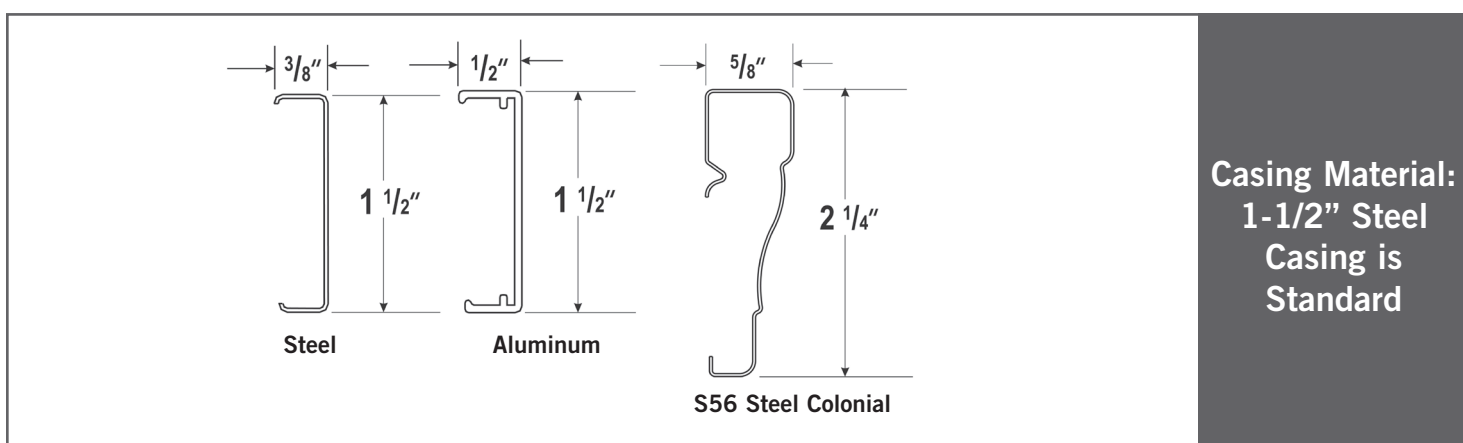

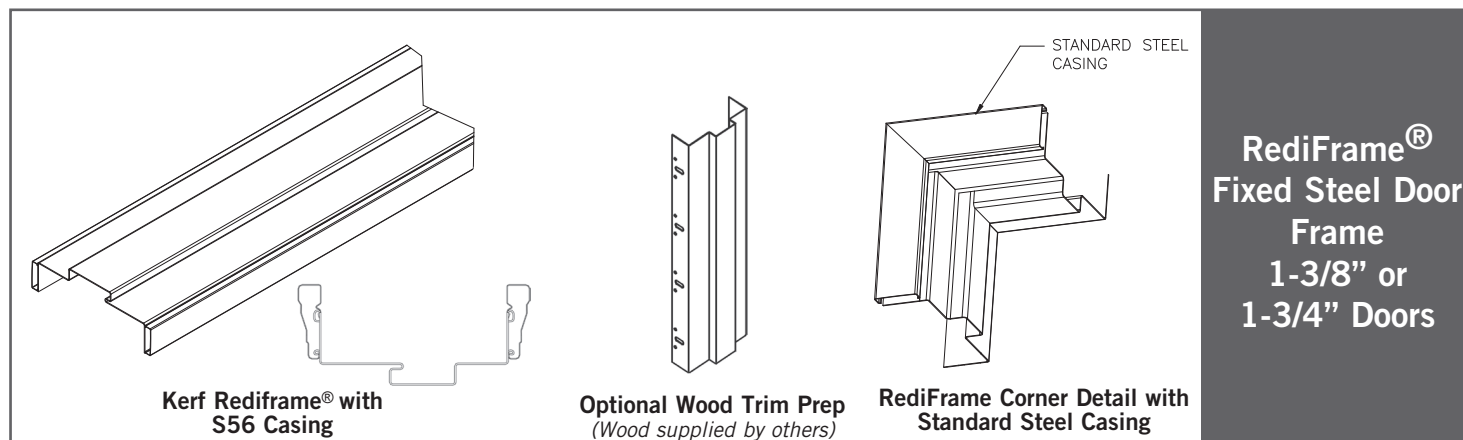

Rediframe® Sidelites extend the viewing area adjacent to a door. Can be manufactured with or without mullions in full, partial or over-the-door styles.

Partial Sidelite

Full Sidelite

PRICING INSTRUCTIONS FOR BLANK SETS: STANDARD HINGE & STRIKE PREPS

1. Select page for correct steel type
 - A. Cold Rolled Steel – Pages 28-30
 - B. A40 Galvannealed – Pages 31-33
2. Determine single or paired openings
 - A. Single door – page 28 or 31
 - B. Paired door – page 29 or 32
3. Determine header size
 - A. 1'6" to 3' single or 4' to 6' paired– top of page
 - B. 3'+ to 4' single or 6'+ to 8' paired – bottom of page
4. Determine wall size. Standard wall sizes shown. Add for non-standard wall sizes are on page 34.
5. Determine height of frame and gauge to determine list price on complete frame set.
6. Complete set consist of:
 - A. 1 each header
 - B. 2 each header casing
 - C. 4 each casing corners
 - D. 3 each rubber bumpers (silencers)
 - E. 2 each uprights
 - F. 4 each upright casing
15. For additional hardware preps and options see page 26, or additional accessories see pages 41-42.
 - A. Add for hinges and strikes as required
 - B. Add additional preps and options

ORDERING INSTRUCTIONS FOR COMPLETE SETS: STANDARD HINGE & STRIKE PREPS

We must have all the order form completed before an order can be entered and acknowledgment approved before it can be scheduled for production and delivery. Order forms may be downloaded from our website at www.dunbarton.com/distributors

POCKET DOOR FRAMES

Frame Type	Single
Gauge	18 gauge only
Steel	Chemically treated Cold-Rolled Steel per ASTM-A366, A40 Galvannealed available
Wall Sizes	4-1/2", 4-5/8", 4-3/4", 4-7/8", 5-3/8", 6-3/4", 6-7/8"
Width	1'6", 1'8", 2'0", 2'4", 2'6", 2'8", 2'10", 3'0", 3'4", 3'6", 3'8", 4'0", 4'6", 5'0", 5'6", 6'0", 6'6", 7'0" (Note: Header length is 1/2" LESS than nominal. Example: 3'0" = 35-1/2" header length.)
Height	6'8", 7'0", 8'0"
Strike Options	Standard flat strike. Optional Inverted strike available
Casing	22 Gauge Cold-Rolled Steel per ASTM-A366 casing mitered for the head and upright jambs; same color [®] as frame (Aluminum or S56 Steel Colonial casing and wood casing prep are optional. See page 11.)
Finish	Rediframe Brown, Bright White, Ivory, or Prime Gray (for other finishes, see page 26 or 34).
Packaging	One set per carton

PRICING INSTRUCTIONS: POCKET DOORS

Base price as 18 gauge Blank Door Frame,
add standard strike jamb \$20

Additional Options:

Inverted Stop: Add \$40
Pair: Add \$32

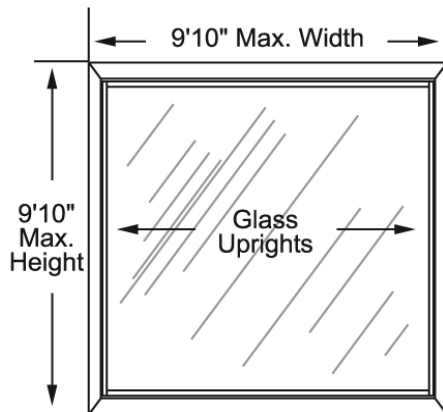

Example: 4-7/8" wall pocket door frame
for a 3'0" x 7'0" door

Base = **\$86**
Standard Strike Jamb = **\$20**
Frame List Price is **\$106**

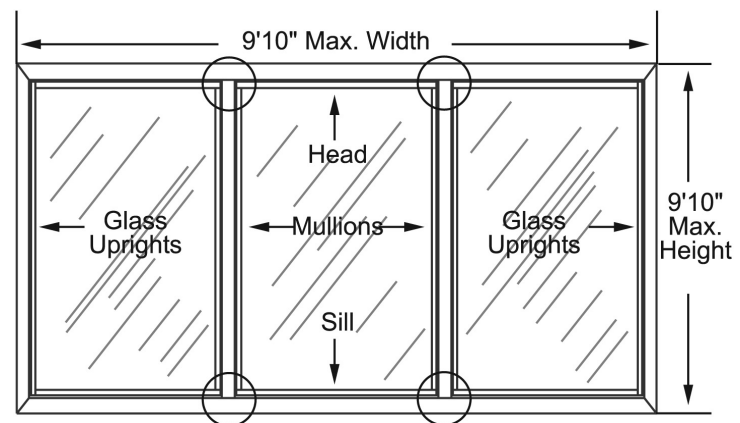

"L" Width = wall size minus (–) door thickness minus (–) 1/4" divided (÷) by 2

Example: 4-1/2" wall minus (–) 1-3/8" door minus (–) 1/4" divided (÷) by 2 equals (=) 1-7/16" "L" width of split jamb.

NOTE: Must specify wall size and door thickness. Includes complete set of 3'0" x 6'8", 7'0", or 8'0" steel casing with casing corners.

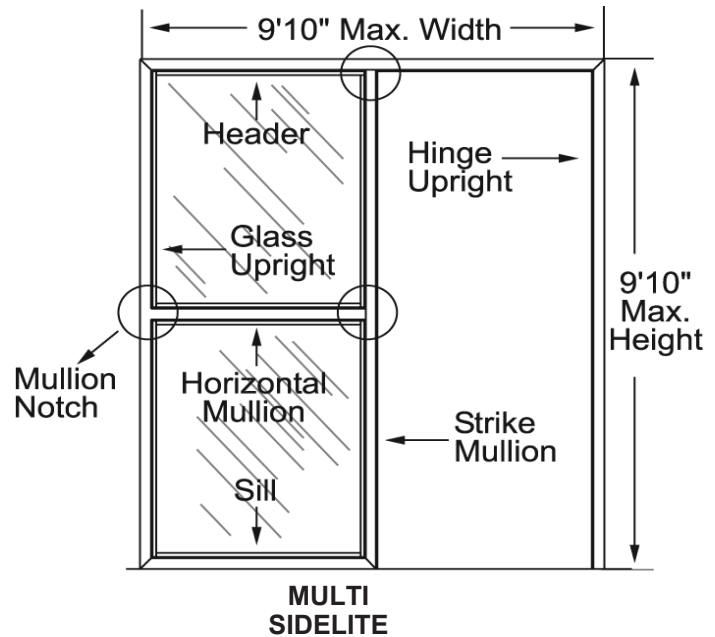

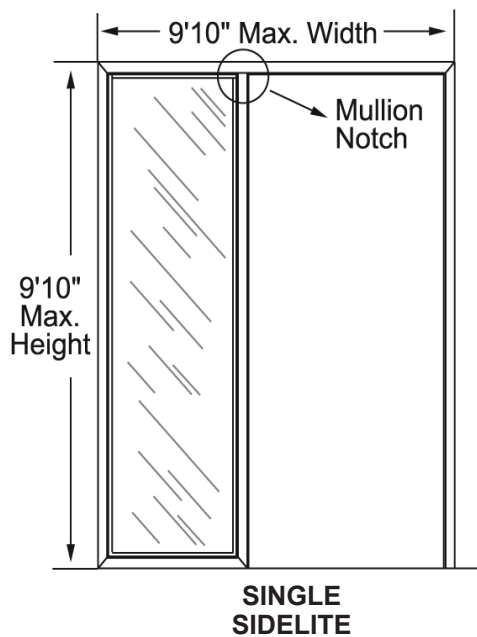

**SINGLE
BORROWED LITE**

**MULTI
BORROWED LITE**

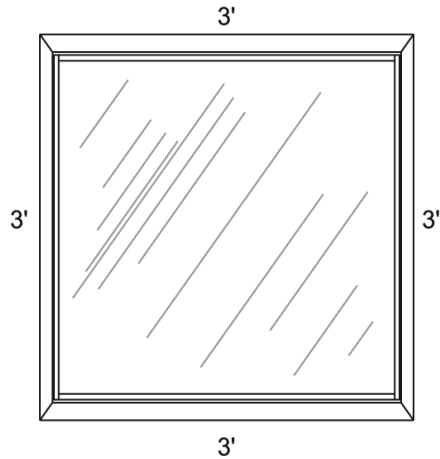

Frame Type	Single and Multi (<i>more than one lite</i>), Borrowed Lite.
Gauge	18 and 20 Gauge A40, 18, and 20 Gauge Cold-Rolled
Steel	Chemically treated Cold-Rolled Steel per ASTM-A366
Wall Sizes	2-7/8", 3-1/2", 3-5/8", 3-3/4", 4", 4-1/2", 4-5/8", 4-3/4", 4-7/8", 5-1/4", 5-3/8", 6-1/8", 6-3/4", 6-7/8", 7-1/4", 7-3/8". Max. wall size: 18 gauge – 13"; 20 gauge – 6"
Width	Maximum – 9'10" (<i>overall width dimensions of the frame</i>)
Height	Maximum – 9'10" (<i>overall height dimensions of the frame</i>)
Casing Prep	22 Gauge Cold-Rolled Steel per ASTM-A366 casing mitered at head and upright corners (<i>Aluminum or S56 casing and wood casing prep optional. See pg. 26 or 34.</i>) (S56 casing not available on mullions.)
Glass Stop	5/8" Stop cut-to-size with countersunk holes and fastening screws.
Fire Rating	45- and 60-minute mylar (3-1/2" minimum wall size); steel or wood casing prep.
Finish	Rediframe® Brown, Ivory, Bright White, or Prime Gray (<i>for other finishes, see pg. 26 or 34</i>).
Packaging	Single Borrowed Lite has three (3) cartons per frame; Header Carton = Header and sill with casing and glass stop. Upright Carton = Two (2) each glass uprights with casing. NOTE: Add one (1) carton per mullion.

**SIDELITE
STANDARD PRODUCT OFFERING**

Frame Type	Single, Double, Half and Full Sidelites.
Gauge	18 and 20 Gauge A40, 18, and 20 Gauge Cold-Rolled
Steel	Chemically treated Cold-Rolled Steel per ASTM-A366.
Wall Sizes	2-7/8", 3-1/2", 3-5/8", 3-3/4", 4", 4-1/2", 4-5/8", 4-3/4", 4-7/8", 5-1/4", 5-3/8", 6-1/8", 6-3/4", 6-7/8", 7-1/4", 7-3/8". Max. wall size: 18 gauge – 13"; 20 gauge – 6"
Width	Maximum – 9'10" (<i>overall width dimensions of the frame</i>)
Height	Maximum – 9'10" (<i>overall height dimensions of the frame</i>)
Casing Prep	22-Gauge Cold-Rolled Steel per ASTM-A366 casing mitered at head and upright corners (<i>Aluminum or S56 casing and wood casing prep optional. See pg. 26 or 34.</i>) (S56 casing not available on mullions.)
Glass Stop	5/8" Stop cut-to-size with countersunk holes and fastening screws.
Fire Rating	45-minute mylar (3-1/2" minimum wall size); 1-3/4" door only; steel or wood casing prep.
Finish	Rediframe® Brown, Ivory, Bright White, or Prime Gray (<i>for other finishes, see pg. 26 or 34.</i>)
Packaging	Single Borrowed Lite has three (3) cartons per frame: Header, Upright and Mullion carton. Header Carton = Header and sill with casing and glass stop. Upright Carton = One (1) each hinge and glass upright with casing and glass stop. Mullion Carton = Strike mullion with casing and glass stop. NOTE: Add one (1) carton per mullion.

BORROWED LITE FRAMES Available in 18, or 20-gauge

**NOTE: Round off
each dimension to
the nearest foot.**

Example: 1 – 18 gauge A40, 4-5/8" wall, 3'0" x 3'0",
without casing

Jamb: 3' + 3' + 3' + 3' = 12' Jamb
12' x \$11.00 = \$132.00

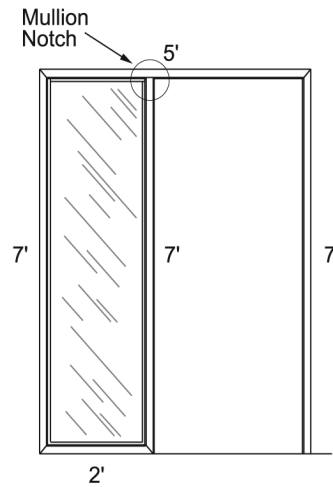

Mullion: 0 = \$132.00

Pack (flat rate): \$8.00

Add = \$132.00 + \$0 + \$8.00 = \$140.00

Frame List Price is \$140.00

SIDELITE FRAMES Available in 18, or 20-gauge

Example: 1 – 18 gauge A40; 4-5/8" wall; 3'0" x 7'0"
with 2'0" Sidelite, without casing or hardware

Jamb = 7' + 5' + 7' + 2' = 21' Jamb
21' x \$11.00 = \$231.00

Mullion = 7' Mullion – 7' x \$21.50 = \$150.50

Mullion Notch per = 1 – Mullion Notch & Bracket = \$44.10

Pack (flat rate): \$8.00

Add = \$231.00 + \$151.50 + \$44.10 + \$8.00 = \$433.60

Frame List Price is \$433.60

HOW TO PRICE BORROWED LITES and SIDELITES

BORROWED LITES:

Measure linear feet of inside frame. Using inside dimensions, add total of linear footage. Round total to next higher foot total. Determine wall size and gauge of steel. Use per linear foot charge and calculate total list price of open (jambs) profiles.

For borrowed lites with mullions, add up total linear footage of mullion and use mullion per foot charge. Same rules from above apply in calculation. Add one notch charges per mullion piece of \$41.10.

Add a flat rate of \$8.00 for packing.

SIDELITE AND TRANSOM FRAMES:

Measure linear feet of inside frame. Using inside dimensions, add total of linear footage. Round total to next higher foot total. Determine wall size and gauge of steel. Use per linear foot charge and calculate total list price of open (jambs) profiles.

For sidelights and transom lites mullions, add up total linear footage of mullion and use mullion per foot charge. Same rules from above apply in calculation. Add one notch charges per mullion piece of \$41.10. Add in any additional hardware prep and hardware needed (pages 36, 43-44).

Add a flat rate of \$8.00 for packing.
